Task-4: Forgot Password System & Password Generator

Output Screen:1 - Normal View

The screenshot shows a web browser window with the title "Password Reset". The address bar displays the file path "D:/Web_Technology/Nullclass/TASK4/PasswordGenerator4.html". The main content is a "Reset Your Password" form. The form has a blue header with the title and a subtitle "Enter your email or phone number to receive a secure password". Below the header, there are two tabs: "Email" (selected) and "Phone". Under the "Email" tab, there is an "Email Address" input field containing "your@email.com". Below this, there is a "Generate New Password" section with a "Click generate" button and a "Generate" button. A note below the buttons states "Contains only letters (a-z, A-Z), no numbers or special chars". At the bottom of the form is a large blue button labeled "Request Password Reset".

Output Screen:2 – Mobile View

The screenshot shows the same "Reset Your Password" form as in the normal view, but it is displayed within a mobile view simulation. The browser window title is "Dimensions: Responsive". The dimensions are 453 x 756, and the zoom level is 85%. The form is centered on the screen and maintains its layout, including the "Email" and "Phone" tabs, the "Email Address" input field with "your@email.com", the "Generate New Password" section with "Click generate" and "Generate" buttons, the note about password requirements, and the "Request Password Reset" button. The mobile view simulation includes a dark grey border and a mobile status bar at the bottom.

Task-5: Knowledge Hub Reward System

Output Screen:1 - Normal View

The screenshot shows a web browser window with the URL `D:/Web_Technology/Nullclass/TASK-5/RewardSystem5.html`. The page title is "KnowledgeHub Rewards". In the top right corner, the user is identified as "GA Gayam Anusha" with a dropdown arrow and a badge showing "125 points".

The main content area is divided into two columns. The left column contains a user profile card for "GA Gayam Anusha", a "Knowledge Seeker" with "125 points". It shows a "Level Progress" bar at 25% and two achievement levels, "Bronze" and "Silver". A blue "Transfer Points" button is at the bottom. Below this is a "Badges Earned" section with three items: "First Answer" (answered your first question), "Popular Answer" (received 5 upvotes on an answer), and "Gold Contributor" (earn 500 points to unlock).

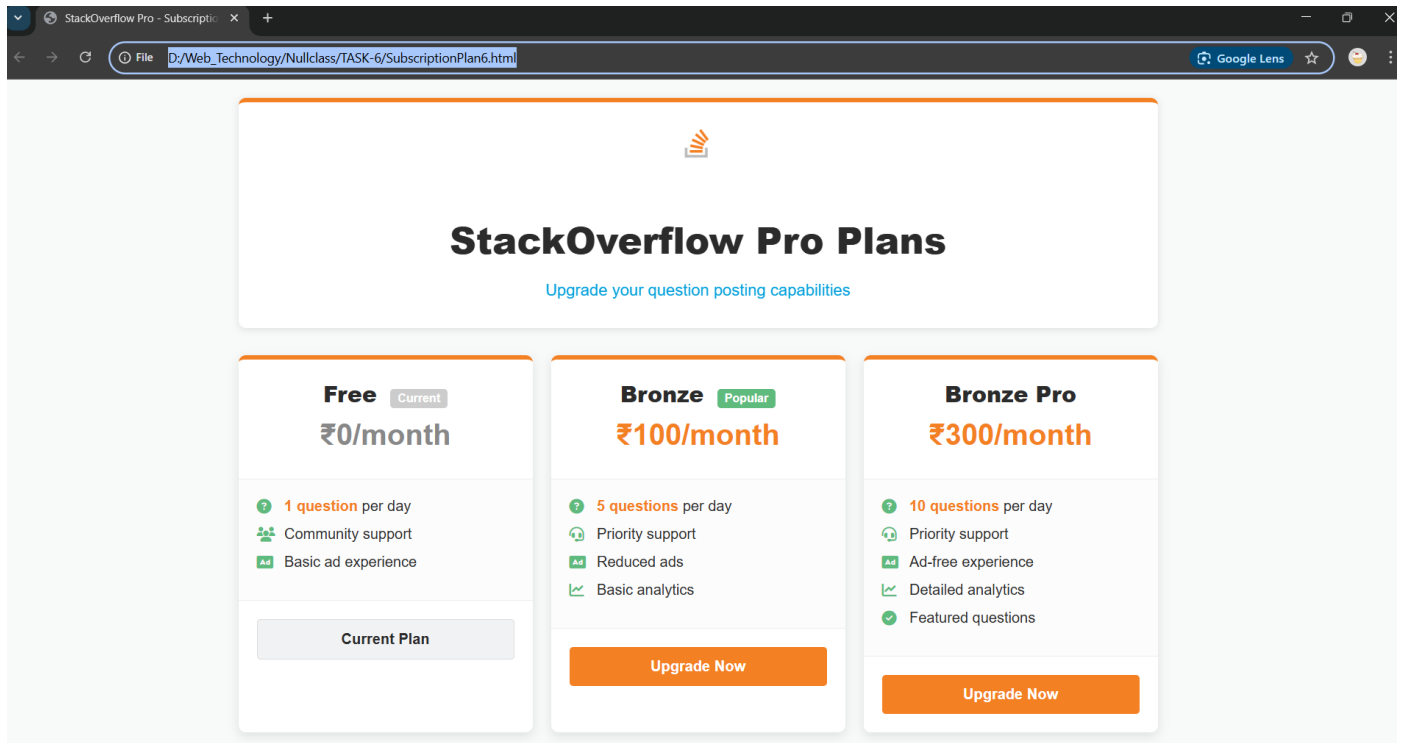

The right column has a section for "Recent Activity" with a sub-header "Activity" and links for "Leaderboard" and "Transactions". The activity list includes: "Points Added" (+5) for answering a question 2 hours ago; "Bonus Points" (+5) for an answer receiving 5 upvotes 1 day ago; "Points Deducted" (-5) for removing an answer 3 days ago; and "Points Added" (+5) for answering a question 1 week ago.

Output Screen:2 – Mobile View

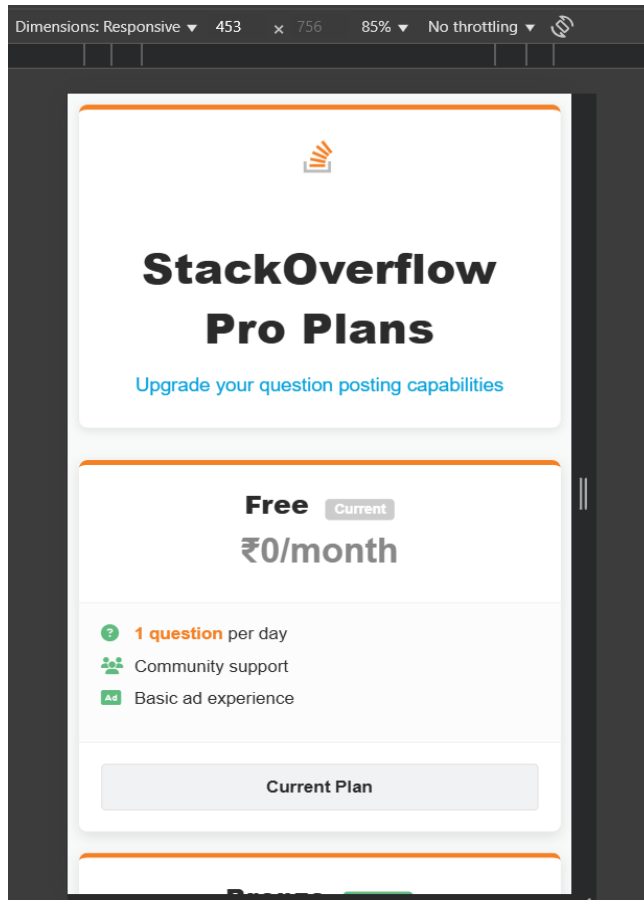

The screenshot shows the same KnowledgeHub Rewards system in a mobile view simulation. The browser window has a width of 453px and a height of 756px. The page layout is adapted for a smaller screen, with the "KnowledgeHub Rewards" header and user information at the top. The user profile card and "Badges Earned" section are stacked vertically. The "Recent Activity" section is partially visible at the bottom of the screen.
